Dear Parents,

Greetings of the day!

I hope that you all are safe and in good health. The time has been stressful for all of us and I know that you are fighting this challenge as brave hearts.

You know that we had to keep the school building closed compulsorily, keeping in mind the safety of our dear students, but we have strived our level best to keep the teaching-learning process on.

I am sure that this would not have been possible without your whole hearted support and cooperation, you have very quickly adapted yourselves to a new technique and in spite of several difficulties, and you have always been our main support.

Our teachers are giving projects and assignments to the children on regular basis for their mental wellbeing and overall growth.

Kindly see to it that your child completes these assignments in time.

I also take this opportunity to convey the message that our school office is open on all working days to help you in every respect. Also it was absolutely necessary that the maintenance of the school campus is properly taken, especially during this rainy season.

The existing support & relaxations during the lockdown period:

- The fees structure applicable for the academic year 2020-21 has been rolled back to the previous session 2019-20 has been implemented leading to a blanket waiver of 8% to 10 % for all students;
- No late fees will be imposed this year.
- Option of staggered payment of school fees.
- Full waiver of Transport fees till the school transport reinstates.
- Special concession / consideration applicable for genuine cases on submission of requisite documents;
- Scholarship for meritorious students;

The following fees / charges has been waived with immediate effect till the lockdown continues:

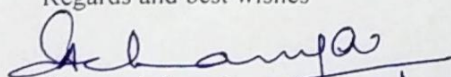

Particulars of Fees Waived	% Reduction
Computer Fees	100%
School Diary / Identity Card	100%
Welfare Fees	100%
Transport Fees	100%

We must say that we are missing the sweet and innocent faces of our dear students, the hustle and bustle.

In the meantime, do keep safe.

We all look forward for good times to come soon.

Regards and best wishes
